Hinten den Bergen wohnen auch Leute. Sei bescheiden, du hast noch nichts erfunden und gedacht, was nicht Andere vor dir schon gedacht und erfunden. Und hättest du 's, so betrachte es als ein Geschenk von Oben, das du mit Anderen zu theilen hast.

R. S. Musikalische Haus- und Lebensregeln

There are many people in the world. Be modest, there is nothing you can invent or think of that has not already been invented or thought of by somebody else. If you think of something original, regard it as a gift from above to be share with others.

R.S. Musical rules at Home and in Life.

Pensez que vous n'êtes pas seul au monde, soyez donc modeste. N'oubliez pas que vous n'avez encore rien pensé, ni découvert, que d'autres ne l'aient pensé ou découvert avant vous : et l'eussiez vous réellement fait, considérez le comme un don de ciel que vous devez partager avec tous.

R.S. Conseils aux jeunes musiciens.

Hay muchas personas en el mundo. Sé modesto, no hay nada que puedas inventar o pensar que no haya sido asimismo inventado o pensado por otros. Si se te ocurre algo original, considéralo como un don del cielo que debes compartirlo con los demás.
